

Thurein Naing

Full Stack Developer

Meiktila, Myanmar | thuureinnnaingg412@gmail.com | +95 9981222452 | linkedin.com/in/thurein-naing | github.com/ThureinNaing

PROFESSIONAL SUMMARY

Full Stack Developer with a strong focus on building fast, scalable web applications using Next.js and PostgreSQL. Experienced in developing complex business logic and managing modern database architectures. Passionate about performance optimization and delivering high-quality user experiences.

SKILLS

Languages: JavaScript | TypeScript | HTML | CSS | SQL

Frameworks: React | Next.js | Tailwind CSS | Node.js

Tools: Git | VS Code | Docker | Prisma |

Databases: PostgreSQL | MongoDB | Supabase | Firebase

EXPERIENCE

Project Technical Lead | Attendance Management System (University) | 11/2025 - 04/2026

- **Spearheaded** a university-level system with **Next.js & PostgreSQL**, reducing admin workload by **60%**.
- **Architected RBAC** security for users, ensuring robust data access and type-safe management.
- **Optimized** queries and server-side logic, achieving a **40% boost** in page load performance.

EDUCATION

Bachelor of Engineering (CEIT) | Technological University (Meiktila) 2022 - 2026

- Current Standing: Fifth Year
- Specialization: Computer Engineering and Information Technology

PROJECTS

AI-Powered SaaS Platform | *Next.js, Supabase, Vapi AI*

- Built a multi-tenant platform with **Vapi AI** voice integration and **Supabase** backend.
- Engineered a **functional subscription lifecycle** (Trial-to-Active) and user-tier management logic without external payment gateways.
- Developed scalable **Supabase Edge Functions** to handle automated billing cycles and real-time feature gating.

Community Forum | *Next.js, MongoDB*

- Developed a full-stack community forum using **Next.js (server + client)**, **React 19**, **Tailwind CSS** and **Mongoose/MongoDB**.
- Implemented secure authentication with **NextAuth**, a rich text editor (**TipTap + MDX**), tagging/bookmarks, API routes, and lightweight AI integrations for content assistance.
